ACCOUNTING LAW

CHAPTER 10, CODE, 1927

SECTION 113. *Examination of Cities and Counties.* The Auditor of State shall cause the financial condition and transactions of all county offices to be examined at least once each year, by a state examiner of accounts, and shall cause a like examination to be made at least once each two years, of all offices of all cities and towns having a population of two thousand or more, including offices of cities acting under special charter.

SEC. 114. *State Examiners.* The Auditor of State shall appoint such number of state examiners of accounts as may be necessary to make such examinations. Said examiners shall be of recognized skill and integrity, familiar with the system of accounting in county and city offices and with the laws relating to county and city affairs. Each examiner shall give bond in the sum of two thousand dollars, conditioned as the bonds of county officers, which bonds shall be approved and filed as bonds of the state officers. Such examiners shall hold their positions for four years, unless sooner removed by the Auditor of State for cause, and be subject at all times to the direction of said Auditor.

SEC. 115. *Assistants.* The Auditor of State shall appoint such additional assistants to the examiners as may be necessary, who shall be subject to discharge at any time by the Auditor. Such assistants shall receive such reasonable compensation as the Auditor may fix and shall be paid in the same manner as examiners. The compensation of such assistants shall be considered as part of the cost of examination.

SEC. 116. *Examinations.* Said examiners shall have the right while making said examinations, to examine all papers, books, records, and documents of any of said offices and shall have the right, in the presence of the custodian or his deputy, to have access to the cash drawers and cash in the official custody of such officer, and a like right, during business hours, to examine the public accounts of the county or city in any depository which has public funds in its custody pursuant to law.

SEC. 117. *Scope of Examinations.* All examinations shall be made without notice to the office examined. On every examination inquiry shall be made as to the financial condition and resources of the county or city; whether the cost price for improvement and material in said county or city is in excess of the cost price for like things in other counties or cities of the state; whether the county or city authorities are complying with the law; and whether the accounts and reports are being accurately kept.

SEC. 118. *Subpoenas.* The Auditor of State and all examiners shall, in all matters pertaining to an authorized examination, have power to issue subpoenas of all kinds, administer oaths and examine witnesses, either orally or in writing, and the expense attending the same, including the expense of taking oral examinations in shorthand, shall be paid as other expenses of the examiner.

SEC. 119. *Refusal to Testify.* In case any witness duly subpoenaed refuses to attend, or refuses to produce documents, books, and papers, or shall attend and refuse to make oath or affirmation, or, being duly sworn or affirmed, shall refuse to testify, the Auditor of State or the examiner may apply to the district court, or to any judge of said district court having jurisdiction thereof, for the enforcement of attendance and answers to questions as provided by law in the matter of taking depositions.

SEC. 120. *Reports.* A report of such examination shall be made in triplicate, signed, and verified by the officer making the examination; one copy to be filed with the auditor of state; one copy with the officer under investigation, and one copy with the auditor of the county if a county office is under investigation, or with the mayor or city council if a city office is under investigation. All reports shall be open to public inspection.

Sec. 121. *Report Filed with County Attorney.* If said examination discloses any irregularity in the collection or disbursement of public funds or in the abatement of taxes a copy of said report shall be filed with the county attorney and it shall be his duty to cooperate with the state auditor, and, in proper cases, with the attorney general, to secure the correction of the irregularity.

Sec. 122. *Duty of Attorney General.* In the event such examination discloses any grounds which would be grounds for removal from office, a fourth copy of said report shall be provided and filed by the auditor of state in the office of the attorney general of the state, who shall thereupon take such action as, in his judgment, the facts and circumstances warrant.

Sec. 123. *Disclosures Prohibited.* No such examiner shall make any disclosure of the result of any investigation, except as he is required by law to report the same or to testify in court. Any violation of this provision shall be grounds for removal.

Sec. 124. *Examination of Other Municipalities.* Any township, school, or municipal corporation, not embraced within the foregoing provisions of this chapter, may, on application to the auditor of state, secure an examination of its financial transactions and the conditions of its funds, or a like examination may be had on an application of twenty-five or more taxpayers of such township, school, or other corporation, accompanied by such showing of facts as, in the opinion of the auditor of state, will justify such examination.

Sec. 125. *Bills.* Each examiner shall, on the completion of an examination, file with the auditor of state a detailed, itemized, and sworn voucher of his per diem and expenses, which voucher, when approved by said auditor and by the state board of audit, shall be paid from any unappropriated funds in the state treasury.

Sec. 126. *State Reimbursed.* Upon payment by the state of the per diem and expense aforesaid, the auditor of state shall at once file with the warrant-issuing officer of the county or municipality whose office was examined, a copy of the voucher so paid by the state and thereupon said warrant-issuing officer shall at once draw his warrant for said amount on the general funds of his county or municipality in favor of the auditor of state, which warrant shall be placed to the credit of the general fund of the state.

SEC. 6218. *Budget—publication—objections.* Whenever the power granted in the preceding section is exercised by any city or town, it shall be the duty of the council prior to the first day of April each year to make up and prepare an annual budget on the basis of estimates or the expenses of the several departments of such city or town. Such estimates shall show not only the purpose for which the consolidated levy authorized in the preceding section is to be used, but in addition thereto the purpose for which all other levies authorized to be made by said city or town are to be used, so that said budget when so made up will show all of the proposed expenditures for the ensuing year. Such budget of proposed expenditures shall be published in one or more newspapers of general circulation published in such city or town, but where no newspaper is published in such town then by posting in three public places, the publication to be at least two weeks before said budget is finally adopted by the council, and the time when such budget will be considered by the council for final adoption shall be stated in said publication. On the day thus fixed for considering said budget, full opportunity shall be given for hearing any objections or protests which any taxpayer of the city or town may desire to make to any item or items in such budget or to any omissions therefrom.

SEC. 6219. *How construed.* Nothing in the two preceding sections shall be construed to affect or repeal any of the existing statutes authorizing tax levies in cities and towns.

SEC. 6220. *Levy for park purposes.* The board of supervisors shall, at the time of levying county taxes, levy on all property within the city the tax certified to them by the park commissioners for said city. If such commissioners fail to certify a tax or a sufficient tax for the purpose of paying the interest on bonds issued by the commissioners for park purposes that may be due or will mature within the fiscal year next ensuing, the board of supervisors shall levy such tax as shall be necessary to pay such interest; and if such commissioners each year for fifteen years before the maturity of bonds issued by them, as provided in chapter 311, fail to certify a tax equal to one-fifteenth of the principal of such bonds over and above the amount necessary for the interest on the same, the board shall annually levy such tax as may be equal to one-fifteenth of the principal thereof, which tax shall be set aside by the commissioners in the same manner and for the same purpose as directed in chapter 311.

SEC. 6221. *Bridge tax.* The board of supervisors of the county in which a city or town is situated shall levy a special tax on the assessable property in such city or town to aid in the construction of highways or combination bridges, when such tax shall have been voted by the city or town.

either of them of funding or refunding bonds issued by such municipality, such tax shall not be held invalid if the rate or tax levied raises a sum in excess of the amount sought for such specific object, but the excess shall go into the general city or town fund. Money so raised is especially appropriated for such purposes, and constitutes a distinct fund in the hands of the treasurer until the obligation assumed is discharged.

SEC. 6223. *Anticipation of revenue.* Loans may be negotiated or warrants issued by any municipal corporation in anticipation of its revenues for the fiscal year in which such loans are negotiated or warrants issued, but the aggregate amount of such loans and warrants shall not exceed the estimated revenue of such corporations for the fund or purpose for which the taxes are to be collected for such fiscal year.

SEC. 6224. *Aiding outside highway.* When a petition shall be presented to the council of any city or town, signed by one-third of the resident taxpayers thereof, asking that the question of aiding in the construction or repair of any highway leading thereto be submitted to the voters thereof the council shall immediately give notice of a special election by posting a notice in five public places in said city or town at least ten days before said election, which shall give the time and place of holding the election, the particular highway proposed to be aided, and the proportion of the highway tax then levied and not expended, or next thereafter to be levied, to be appropriated.

Note.—Above section and two following sections made applicable to special charter cities.

SEC. 6225. *Question submitted.* At this election a proposition for an appropriation of a portion of the highway tax to aid in the construction or repair of the particular highway, and the proportion of such tax proposed to be so appropriated shall be submitted to the voters of such city or town, and the clerk shall cause the proposition to be printed and placed upon the ballots and the election shall be conducted in the same manner as provided with respect to like or similar propositions in the title on elections.

SEC. 6226. *Limit on aid.* If a majority of the votes polled be for adoption of the proposition, then the council may aid in the construction or repair of said highway to the extent of said appropriation, which shall not exceed fifty per cent of such tax, in the same manner as they otherwise would were said highway within the corporate limits of said city or town. No part of such tax shall be used or expended more than five miles from the limits of such city or town, and not more than twenty-five per cent thereof more than two miles from such limits.

SEC. 6227. *Certification of taxes and assessments—collections.* All assessments and taxes of every kind and nature levied by the council, except as otherwise provided by law, shall be certified by the clerk on or before the first day of September to the county auditor, and by him placed upon the tax list for the current year, and the county treasurer shall collect all assessments and taxes so levied in the same manner as other taxes, and when delinquent they shall draw the same interest and penalties.

SEC. 6228. *Tax sales.* Sales for such assessments and taxes when delinquent shall be made at the same time and in the same manner as such sales are made for other taxes, and should there be other delinquent taxes or assessments due from the same person, and collectible by the county treasurer, the sale shall be for all such delinquent assessments and taxes, and all the provisions of law relating to the sale of property for delinquent taxes shall be applicable so far as may be to such sales.

SEC. 6229. *Taxes paid over.* Before the third Monday of each month, the county treasurer shall give written notice to the mayor of each municipality in the county of the amount collected for each fund up to the first day of that month, including the amounts collected to pay bonds issued to pay the costs of public improvements for which special assessments have been levied and certified, and the mayor of each municipality shall draw an order therefor in favor of the city treasurer, countersigned by the clerk or auditor of the municipality, upon the county treasurer, who

shall pay such taxes to the treasurers of the several municipalities only on such order.

SEC. 6230. *Diversions of funds.* Any councilman or officer of a city or town who shall participate in, advise, consent, or allow any tax or assessment levied by such city or town or by other lawful authority for city or town purposes to be diverted to any other purpose than the one for which it was levied and assessed, or who shall in any way become a party to such diversion, shall be guilty of embezzlement.

Note.—Made applicable to special charter cities.

SECTION 6231. *Tax authorized.* Any city or town shall have the power to provide that all able-bodied male residents of the corporation, including male officers and employees of any state institution situated within such city or town, but not including any committed inmate of such institution, between the ages of twenty-one and forty-five shall, between the first day of February and the first day of October of each year, and within fifteen days after receipt of the demand for payment by the clerk, pay in money to the street commissioner or city or town clerk a sum to be fixed by the city or town council on or before February first each year, not exceeding five dollars.

SEC. 6232. *Collection—exemption.* It shall be the duty of the said clerk to make demand upon said resident for the payment of said poll tax, and said demand shall be made by serving a personal notice or by sending notice through the mail. Any person claiming to be exempt under the provisions of the preceding section shall furnish the mayor or other proper officer with an affidavit showing the extent and nature of the disabilities entitling him to such exemption, and if said affidavit is approved by the city or town council then said affiant will be relieved from payment of said tax.

SEC. 6234. *Exemptions.* No property or wages belonging to said person shall be exempt to the defendant on an execution issued upon said judgment.

SEC. 6235. *Expenditure.* The tax and money so collected shall be expended upon the streets, avenues, highways, alleys, or public grounds of said corporation.

SEC. 6236. *Certification of unpaid tax.* All of said tax remaining unpaid on the fifteenth day of November in each year shall be certified to the county auditor at any time before the following first day of December and shall be entered by him upon the tax list of said county and treated and collected as ordinary county taxes, and shall be a lien upon the real property of the delinquent.

SEC. 6237. *Action.* The entry of such tax and penalty upon the tax list shall not prevent the bringing of an action therefor as authorized by law. Such action must be commenced within one year from the first day of October following the giving of notice for the payment of said tax. When judgment has been rendered therefor and paid in whole or in part after the same has been certified to the county auditor, the court receiving such payment shall execute duplicate receipts, exclusive of cost, if so requested, and upon filing such receipts or duplicate with the county auditor he shall make the proper entries on the tax lists, showing the full payment of such tax and penalty, or part thereof as the case may be.
